Most Bible commentaries take us on a one-way trip from the twentieth century to the first century. But they leave us there, assuming that we can somehow make the return journey on our own. In other words, they focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable -- but the job is only half done! The NIV Application Commentary Series helps us with both halves of the interpretive task. This new and unique series shows readers how

to bring an ancient message into modern context. It explains not only what the Bible means but also how it can speak powerfully today.

Preaching the Word Commentaries are written by pastors for pastors, as well as for all who teach or study God ' s word. With pastor R. Kent Hughes as the series editor, these volumes feature an experienced pastor or teacher who models expository preaching and practical application. This series is noted for its steadfast commitment to biblical authority, clear exposition of Scripture, and readability, making it widely accessible for both new and seasoned pastors, as well as men and women hungering to read the Bible in a fresh way. doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God ' s grace on every page of the Bible. The letters to Timothy and Titus are among Paul's most personal and practical epistles. The apostle writes to instruct these younger men in the importance of sound doctrine and to urge them to rebuke false teaching. This accessible study shows how Paul's letters exhort all Christians to protect and pass on the true gospel of Jesus Christ, which has the power to save and transform sinners.

Just as Timothy and Titus needed help to lead their young churches well in the midst of powerful cultural forces, we need guidance for correct leading and living in our own context. These studies on Paul's letters point us in the right direction. This guide by Tom Wright can be used on its own or alongside his New Testament for Everyone commentary on 1 & 2 Timothy and Titus.
