Visual Aids and Ways to Tell the Story. Adding a visual element to your story-telling will help children process the information that they are receiving. A good visual aid accentuates the meaning of Scripture without adding to it or causing the children ' s minds to veer off into a different direction. Before using any visual aid make certain that you have first read what the Bible has to say.

Visual aids are very helpful in communicating biblical truth. God himself used many visual aids to teach us things about his person and his work. Psalm 19 tell us that creation itself is like a huge. visual aid that declares the glory of God. Jesus, when he walked the earth, referred to vines, flowers and fields to make a point.
