For courses in Introductory Psychology The most learner-centered and assessment-driven text available Throughout Psychology, Fifth Edition, Sandra Ciccarelli and J. Noland White employ a learner-centered, assessment-driven approach that maximizes student engagement, and helps educators keep students on track. The authors draw students into the discipline by showing how psychology relates to their own lives. Clear learning objectives, based on the recommended APA undergraduate learning outcomes, guide students through the material. And assessment tied to these learning objectives lets students check their understanding, while allowing instructors to monitor class progress and intervene when necessary to bolster student performance. Available to package with Psychology, Fifth Edition, MyPsychLab(r) is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. MyPsychLab is ideal for courses requiring robust assessments. Psychology, Fifth Edition is also available via REVEL, an interactive learning environment that replaces the print textbook, enabling students to read, practice, and study in one continuous experience. REVEL is ideal for courses where student engagement and mobile access are important. Note: You are purchasing a standalone product; MyLab & Mastering does not come packaged with this content. Students, if interested in purchasing this title with MyLab & Mastering, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. 0134641140 / 9780134641140 Psychology plus MyPsychLab with eText Access Card Package, 5/e Package consists of: 0134477960 / 9780134477961 Psychology, 5/e 0205206514 / 9780205206513 MyPsychLab with eText Access Card "

The most learner-centered and assessment-driven text available With its engaging writing style and comprehensive coverage of key research, Psychology: An Exploration, 2/e, awakens students' curiosity and energizes their desire to learn more. This brief version draws readers into an ongoing dialogue about psychology, allowing them to fully grasp the subject. The authors establish clear learning objectives tied to the most recent APA-recommended undergraduate learning outcomes. MyPsychLab is an integral part of the Ciccarelli / White program. Engaging activities plus assessments provide a teaching and learning system that helps students master psychological concepts more readily. Pearson offers its titles on the devices students love through Pearson's MyLab products, CourseSmart, Amazon, and more.

"Edgewood has everything I love in a Kristen Ciccarelli book: lyrical prose, a romance that will hurt, and themes rooted in raw and intimate questions, making for a timeless tale." - Joan He, New York Times bestselling author of *The Ones We're Meant to Find* Can love survive the dark? No matter how far she runs, the forest of Edgewood always comes for Emeline Lark. The scent of damp earth curls into her nose when she sings and moss creeps across the stage. It's as if the woods of her childhood, shrouded in folklore and tall tales, are trying to reclaim her. But Emeline has no patience for silly superstitions. When her grandfather disappears, leaving only a mysterious orb in his wake, the stories Emeline has always scoffed at suddenly seem less foolish. She enters the forest she has spent years trying to escape, only to have Hawthorne Fell, a handsome and brooding tithe collector, try to dissuade her from searching. Refusing to be deterred, Emeline finds herself drawn to the court of the fabled Wood King himself. She makes a deal—her voice for her grandfather's freedom. Little does she know, she's stumbled into the middle of a curse much bigger than herself, one that threatens the existence of this eerie world she's trapped in, along with the devastating boy who feels so familiar. With the help of Hawthorne—an enemy turned reluctant ally who she grows closer to each day—Emeline sets out to not only save her grandfather's life, but to right past wrongs, and in the process, discover her true voice.

Haunting and romantic, Kristen Ciccarelli's Edgewood is an exciting novel from a bold, unforgettable voice in fantasy. "Darkly gorgeous and moving, Edgewood is full of curses and fae magic that will capture your heart and wrap it in thorns before setting you free again, forever changed. I devoured Edgewood whole and couldn't put it down." - Evelyn Skye, New York Times bestselling author of The Crown's Game

Kristen Ciccarelli's distinct brand of lyrical, haunting fantasy continues in the companion to her bestselling debut, The Last Namsara. Perfect for fans of Kristin Cashore and Renee Ahdieh. Once there were two sisters born with a bond so strong that it forged them together forever. Roa and Essie called it the hum. It was a magic they cherished—until the day a terrible accident took Essie's life and trapped her soul in this world. Dax—the heir to Firgaard's throne—was responsible for the accident. Roa swore to hate him forever. But eight years later he returned, begging for her help. He was determined to dethrone his cruel father, under whose oppressive reign Roa's people had suffered. Roa made him a deal: she'd give him the army he needed if he made her queen. Only as queen could she save her people from Firgaard's rule. Then a chance arises to right every wrong—an opportunity for Roa to rid herself of this enemy king and rescue her beloved sister. During the Relinquishing, when the spirits of the dead are said to return, Roa discovers she can reclaim her sister for good. All she has to do is kill the king.
