March 18, 1925. The day begins as any other rainy, spring day in the small town of Marah, Illinois. But the town lies directly in the path of the worst tornado in US history, which will descend without warning at midday, and leave the community in ruins. By nightfall, hundreds will be homeless and hundreds more will lie in the streets, dead or grievously injured. Only one man, Paul Graves, will still have everything he started the day with--his family, his home, and his business, all miraculously intact. Based on the historic Tri-State tornado, *Falling to Earth* follows Paul Graves and his young family in the year after the storm as they struggle to comprehend their own fate and that of their devastated town, as they watch Marah try to resurrect itself from the ruins, and as they miscalculate the growing resentment and hostility around them with tragic results. Beginning with its electrifying opening pages, *Falling*

to Earth is at once a revealing portrayal of survivor's guilt and the frenzy of bereavement following a disaster, a meditation on family, and a striking depiction of Midwestern life in the 1920's. Falling to Earth marks the debut of a splendid new writing talent.

Provides a look at life in all its diverse forms, from the earliest single-celled bacteria, through the evolution and extinction of thousands of species, to the variety of life existing today.

Steinke's sense of this small Texas town, with its explosive and interconnected lives and deaths, is absolutely masterful. Elizabeth Gilbert A big, moving novel of one tight-knit Texas community and the events that alter its residents' lives forever. Friendswood, Texas, is a small Gulf Coast town of church suppers, oil rigs on the horizon, hurricane weather, and high school football games. When tragedy rears its head with an industrial leak that kills and sickens residents, it pulls on the common thread that runs through the community, intensifying everything. From a confused fifteen-year-old girl beset by visions, to a high school football star tormented by his actions, to a mother galvanized by the death of her teen daughter, to a morally bankrupt father trying to survive his mistakes, René Steinke explores what happens when families are trapped in the ambiguity of history's missteps when the actions of a few change the lives and well-being of many. Driving the narrative powerfully forward is the suspenseful question of the fates of four Friendswood families, and Steinke's striking insight and empathy. Inspired in part by the town where she herself grew up, this layered, propulsive, psychologically complex story is poignant proof that extreme public events, as catastrophic as they might seem, must almost always pale in comparison to the intimate personal experiences and motivations of grief, love, lust, ambition, anxiety, and regret.

A stunning novel in stories in the tradition of Jennifer Egan by the iconic actress Molly Ringwald Tales of love, loss, and betrayal are at the heart of When It Happens to You, the debut novel in stories from actress and author Molly Ringwald. A Hollywood icon, Ringwald defined the teenage experience in the eighties in such classic films as *Pretty in Pink*, *The Breakfast Club* and *Sixteen Candles*. Ringwald brings the compelling candour she displayed in her film roles to the unforgettable characters she has created in this series of intertwined and linked stories about the particular challenges, joys and disappointments of adult relationships. Her characters grapple with infertility and infidelity, fame and familial discord in a magnificent debut that will resonate broadly, particularly with fans of Melissa Banks, Meg Wolitzer and Lorrie Moore. 'When It Happens to You is absolutely lovely, a smart, emotionally sophisticated, intricately dovetailed novel of stories. World, I'm telling you now: Molly Ringwald is the real deal' Lauren Groff, author of *Arcadia* 'Molly Ringwald understands how families work and uses her considerable talents to make them come alive on the page' Gary Shteyngart

The year is 1597. For nearly a decade, the island of Britain has been under the rule of King Philip in the name of Spain. The citizenry live under an enforced curfew—and in fear of the Inquisition's agents, who put heretics to the torch in public displays. And with Queen Elizabeth imprisoned in the Tower of London, the British have no symbol to unite them against the enemy who occupies their land. William Shakespeare has no interest in politics. His passion is writing for the theatre, where his words bring laughter and tears to a populace afraid to speak out against the tyranny of the Spanish crown. But now Shakespeare is given an opportunity to pen his greatest work—a drama that will incite the people of Britain to rise against their persecutors—and change the course of history.

From London to Corsica to Paris -- as a young woman pursues the truth about her late mother, two captivating love stories unfurl in this captivating novel from the author of *The Guest List*. Kate Darling's enigmatic mother -- a once-famous ballerina -- has passed away, leaving Kate bereft. When her grandmother falls ill and bequeaths to Kate a small portrait of a woman who bears a striking resemblance to Kate's mother, Kate uncovers a mystery that may upend everything she thought she knew. Kate's journey to find the true identity of the woman in the portrait takes her to some of the world's most iconic and indulgent locales, revealing a love story that began in the wild 1920s and was disrupted by war and could now spark new love for Kate. Alternating between Kate's present-day hunt and voices from the past, *The Book of Lost and Found* casts light on family secrets and love -- both lost and found.

A [poignant [and] powerful] novel about a 1920s Midwestern community in the aftermath of a devastating tornado (*The New Yorker*). In March 1925, the worst tornado in the nation's history will descend without warning on the small town of Marah, Illinois. By nightfall, hundreds will be homeless and hundreds more will lie in the streets, dead or grievously injured. Only one man, Paul Graves, will still have everything he started the day with—his family, his home, and his business, all miraculously intact. This [absolutely gorgeous] novel follows Paul Graves and his young family in the year after the storm as they struggle to comprehend their own fate and that of their devastated town (*The New York Times*). They watch helplessly as Marah tries to resurrect itself from the ruins and as their friends and neighbors begin to wonder how one family, and only one, could be exempt from terrible misfortune. As the town begins to recover, the family miscalculates the growing resentment and hostility around them with tragic results, in an [extraordinarily moving] portrayal of survivor's guilt and the frenzy of bereavement following a disaster (*Financial Times*). [All the big themes are here—chance, fate, loyalty, revenge, guilt, jealousy . . . Inspired by actual events surrounding the 1925 Tri-State tornado, the worst in U.S. history, *Southwood*'s poignantly penetrating examination of the psychic cost of survival is breathtaking in its depth of understanding.] [Booklist (starred review)] [What's most exciting about *Southwood*'s debut is her prose, which is reminiscent of Willa Cather's in its ability to condense the large, ineffable melancholy of the plains into razor-sharp images.] [The Daily Beast
