For All These Rights: Business, Labor, and the Shaping of ...

For All These Rights : Business, Labor, and the Shaping of America's Public-Private Welfare State. The New Deal placed security at the center of American political and economic life by establishing an explicit partnership between the state, economy, and citizens.

For All These Rights : Business, Labor, and the Shaping of ...

For All These Rights traces the fate of the New Deal emphasis on social entitlement as the private sector competed with and emulated Roosevelt's Social Security program. Through the story of struggles over health security and old age security, social rights and the welfare state, it traces the fate of New Deal liberalism--as a set of ideas about the state, security, and labor rights--in the 1950s, the 1960s, and beyond.

For All These Rights: Business, Labor, and the Shaping of ...

For All These Rights is filled with details that bring the social and political settings of the contest between labor, business, and the state to life. Anyone interested in the growth of fringe benefits can learn from this book.

Your business also has the right to refuse the supply of goods and services under various circumstances. Decision Making; Right to Refuse Service; No limit of capital investment; Make changes in business processes or strategies; Responsibilities. Your business company entails crucial responsibilities towards: Shareholders or Owners; Customers; Employees; Government

What Are the Rights and Responsibilities of Businesses?

In general, when your business purchases goods or services from another business, you have similar rights to a consumer. This is the case provided there is no contract that contradicts this. While these basic rights can't be excluded from contracts with consumers, they can be excluded from business to business contracts. So if you're buying goods and services from another business, you should make sure that the terms and conditions of the contract don't put you at a disadvantage.
