Green from the Ground Up - Green Technology

Green from the ground up. In a nation known as the Garden City, one particular garden is defying expectations – and gravity. Singapore, renowned for being one of the world’s greatest cities, is perhaps one of the greenest too. The award-winning Gardens by the Bay, and UNESCO World Heritage Site, the Singapore Botanic Gardens, are prime examples. But one of its best-known is a field of green that stretches not across the city, but towards the sky.
