INSIDE the castle and  
Owl ON the slide, Bear  
hugs them both. When  
Owl spots Bear  
BEHIND the climbing

the bench, Bear hugs  
them again! But when  
Fox and Owl are not  
BETWEEN the swings,  
AMONG the trees or  
THROUGH the tunnel,  
Bear is the one who  
needs a hug. Will Fox

there's a rustling from the woods – maybe someone else can help her find him...? A reassuring tale of sibling love by the master Anthony Browne.

Harriet and Vesey meet when they are teenagers, and their love is as intense and instantaneous as it is innocent. But they are

young. All life still lies ahead. Vesey heads off hopefully to pursue a career as an actor.

Harriet marries and has a child, becoming a settled member of suburban society. And then Vesey returns, the worse for wear, and with him the love whose memory they have both sentimentally cherished, and even after so much

Voyeurs And  
Exhibitionists  
As bearers of the divine  
image, all of us are

storytellers and artists.

However, few people  
today believe in truth  
that is not empirically  
knowable or verifiable,  
the sort of truth often  
trafficked through direct  
forms of  
communication.

Drawing on the works

of Soren Kierkegaard,  
Benson P. Fraser  
challenges this penchant  
for direct forms of  
knowledge by  
introducing the indirect  
approach, which he  
argues conveys more  
than mere knowledge,  
but the capability to live  
out what one takes to be  
true. Dr. Fraser suggests  
that stories aimed at the  
heart are powerful

instruments for personal and social change because they are not focused directly on the individual listener; rather, they give the individual room or distance to reconsider old meanings or ways of understanding. Indirect communication fosters human transformation by awaking an individual to attend to

# Access Free Hide And Seek

Images or words that carry deep symbolic force and that modify or replace one's present ways of knowing, and ultimately make one capable of embodying what he or she believes.

Through an examination of the indirect approach in Kierkegaard, Jesus, C. S. Lewis, and Flannery O'Connor, Fraser makes a strong

Hidden picture activities  
should be encouraged  
among children because  
of all the benefits they  
promise. For instance,  
hidden pictures ensures  
familiarization of  
objects and pictures  
based on their features.

This means that
