Lexus Is220d Manual

The Lexus IS is a series of entry-level luxury cars sold by Lexus since 1998. The IS was introduced as an entry-level sport model. In parts of Europe, the IS models sold by Lexus included the IS 250 and IS 220d sedans. Production of this model started in 2005. In 2010, coinciding with the second IS line refresh, the diesel IS 220d was detuned with improved fuel consumption figures but lower power output by 27 bhp (20 kW; 27 PS).
