Dr. Bhimrao Ambedkar was an Indian jurist, scholar, political leader and a Buddhist revivalist. He was the Chief Architect of the Indian Constitution. He played a great role in framing of Indian Constitution. He was the first Law Minister of India. He spent his whole life fighting against Social discrimination and untouchability. He was posthumously awarded the highest civilian award: the Bharat Ratna, in 1990. Dr. Ambedkar is viewed as messiah of dalits and downtrodden in India. Though he was the son of large family of then called 'Untouchable' Mahar caste, still he managed to get the highest degree of education and scaled even higher political heights and wisdom. The inside pages contain an interesting and elevating account of how an average boy of a lowcaste and not so rich family fought against the discrimination and became the messiah of dalits and downtrodden in India. The book also gives its readers minute detail about his life and personality. We hope the book will prove successful in clinching the readers' interest.
