kid, same life, same bond of enduring love. Twenty years ago, during a walk on a Mississippi beach, Ellen DeGeneres spoke those simple, powerful words to her mother. That emotional moment eventually brought mother and daughter closer than ever, but not without a struggle. Coming from a republican family with conservative values, Betty needed time and education to understand her daughter's homosexuality -- but her ultimate acceptance would set the stage for a far more public coming out, one that would change history. In Love, Ellen, Betty DeGeneres tells her story; the complicated path to acceptance and the deepening of her friendship with her daughter; the media's scrutiny of their family life; the painful and often inspiring stories she's heard on the road as the first non-gay spokesperson for the Human Rights Campaigns National Coming Out

Recounts the experiences of lesbians, gay men, and their families, provides advice on dealing with various related situations, including those of older gays, and encourages people to be open and supportive.

A raw and affecting memoir about a mother and daughter who beat the odds together. Perdita Felicien's story is woven into her mother's like an intricate braid. To understand Perdita's story, you must

Online Library Love Ellen A Mother Daughter Journey

know Catherine's. Catherine is larger than life. At seventeen years old, she is determined and tenacious, and longing to experience a better life. But she is also pregnant with her second child, and just scraping by in St. Lucia by selling homemade jewellery on the beach. So when she meets a wealthy white Canadian family vacationing on the island, she knows she's found her chance. After babysitting the couple's infant son for two weeks, she asks them to bring her to Canada and employ her as a nanny. Somehow, they agree. This was the beginning of Catherine's new life: a life of great opportunity, but also profound suffering. Within a few years, she would find herself pregnant a third time--this time in a new country, Canada, with no family supporting her, and this time, with Perdita. Together, in the years to come, they would experience poverty, racism,

Online Library Love Ellen A Mother Daughter Journey

domestic abuse and even homelessness, but Catherine's will would always pull them through. As Perdita grew and began to discover her preternatural gifts--athleticism at what would one day prove to be an Olympic level--she was edged onward by her mother's love, grit and faith. Facing literal and figurative hurdles, she learned to leap, and pick herself back up when she stumbled. Beautifully written and deeply absorbing, *Gold Mettle* is a daughter's memoir--a book about the power of a parent's love to transform their child's life.

The comedienne and actress draws on diary entries, correspondence, and family memories to present a tribute to her late daughter that traces Carrie's struggles with self-esteem and addiction before her cancer-related death, in an account that also share the life lessons they learned

Online Library Love Ellen A Mother Daughter Journey together. Degeneres

Few things are more meaningful—or more complicated—than mother-daughter relationships. This helpful parenting guide helps moms navigate their relationships with their daughters to create strong ties and a close, respectful connection that will last a lifetime. SuEllen Hamkins, MD, and Ren é e Schultz, MA, originally created the Mother-Daughter Project with other women in their community in the hopes of strengthening their bonds with their then seven-year-old girls. The group met regularly to speak frankly about such issues as friendships and aggression, puberty, body image, drugs, and sexuality. The results were amazing: confident, assertive teenage girls with strong self-images and close ties to their moms. Equally important, the mothers navigated their own concerns about adolescence with

Online Library Love Ellen A Mother Daughter Journey

integrity and grace. From their dedication and efforts arose The Mother-Daughter Project, an incredibly useful parenting handbook that details the success of the Project ' s groundbreaking model, providing mothers with a road map for staying close with their own daughters through adolescence and beyond.

The biological daughter of writer Paula Fox and mother of rock singer Courtney Love describes growing up as an adoptee, her search for her birth mother, and her relationship with her own troubled daughter.

In this #1 New York Times bestseller, Ellen DeGeneres shares her hilarious take on everything from our most baffling human foibles – including how we behave in elevators, airplanes, and restrooms, and why we ' re so scared of the

Online Library Love Ellen A Mother Daughter Journey

boogeyman — to fashion trends, celebrity, and her secret recipe for Ellen ' s Real Frenchy French Toast. Most of all, this witty, engaging book offers insights into the mind of one of America ' s most beloved comics.... Dear Reader, I was awfully excited when I was asked to write a book. I was however, nervous. I was afraid I didn ' t have anything important to say. But when I began writing, I realized that although I don ' t know a lot about any one thing, I know a little about a whole bunch of things: baking a pie; dancing; curing the common cold; running the Iditarod — it ' s all in the book. And I realized I notice things that maybe some people don ' t notice (or they don ' t notice that they don ' t notice). That ' s all in the book, too.

Having suffered abuse and misfortune for much of her life, a young child searches for

Online Library Love Ellen A Mother Daughter Journey

a better life and finally gets a break in the home of a loving woman with several foster children.

The unflinching true account of a teenage girl's descent into society's underbelly -- and her mother's desperate and ultimately successful attempts to bring her back. How does an honor student at one of Los Angeles's finest prep schools -- a bright, beautiful girl from a loving home -- trade school uniforms and afternoons at the beach for shooting up in the back of a van in rural Indiana? How does her devoted mother emerge from the shock of finding that her daughter has not only disappeared but had been living a secret life for more than a year? Mother and daughter tell their parallel stories in mesmerizing first-person accounts. Claire Fontaine's story is a parent's worst nightmare, a cautionary tale chronicling

Online Library Love Ellen A Mother Daughter Journey

her daughter Mia's drug-fueled manipulation of everyone around her as she sought refuge in the seedy underworld of criminals and heroin addicts, the painful childhood secrets that led up to it, and the healing that followed. Her search for Mia was brutal for both mother and daughter, a dizzying series of dead ends, incredible coincidences and, at times, miracles.

Ultimately, Mia was forced into harsh-but-loving boot camp schools on two continents while Claire entered a painful but life-changing program of her own.

Mia's story includes the jarring culture shock of the extreme and controversial behavior modification school she was in for nearly two years, which helped her overcome depression and self-hatred to emerge a powerful young woman with self-esteem and courage. An unforgettable story of love and transformation, *Come Back* is a heart-wrenching and humorous
