Teacher Education and Practice, a peer-refereed journal, is dedicated to the encouragement and the dissemination of research and scholarship related to professional education. The journal is concerned, in the broadest sense, with teacher preparation, practice and policy issues related to the teaching profession, as well as being concerned with learning in the school setting. The journal also serves as a forum for the exchange of diverse ideas and points of view within these purposes. As a forum, the journal offers a public space in which to critically examine current discourse and practice as well as engage in generative dialogue. Alternative forms of inquiry and representation are invited, and authors from a variety of backgrounds and diverse perspectives are encouraged to contribute. Teacher Education & Practice is published by Rowman & Littlefield.

Magnificent Mavericks tells the story of the creative military/civilian team who worked at the Naval Ordnance Test Station and its Pasadena Annex from 1948 to 1958. Projects developed there include Sidewinder, the world's first successful heat-homing guided missile; Polaris, for which NOTS provided conceptual studies as well as major T&E programs; the 6.5-Inch Antitank Aircraft Rocket (Ram), developed and delivered in a month to meet urgent needs in Korea; the 2.75-Inch Folding-Fin Aircraft Rocket (Mighty Mouse) introduced in Korea and used in every conflict since then; and many other products developed at NOTS to meet the needs of the fleet. Also addressed are propellant technology and other significant innovations in applied research. Improvements to the station's unexcelled facilities R&D laboratories and T&E tracks and ranges are described, as is the community of China Lake, which played an important role in employee morale and productivity.

Active Maths Teacher Resource 2 contains the teaching framework. It describes a range of classroom activities and practice, provides additional worksheets and is cross-referenced to the student activity pages, the Quality Teaching Framework and relevant cards in the Maths-in-a-Box series.
