The laws in community property states vary in their finer details, but community property means that all assets purchased or acquired by a couple during their marriage are owned equally by both of them. It is the case regardless of how the asset is titled. Gifts and inheritances are an exception.

*The Definition and Purpose of Community Property*

Property Community. As property costs continue to rise, it is increasingly important to identify opportunities to minimise costs, be it freezing business rates, securing longer-term taxation reform and improving relationships with landlords. Powers are also increasingly being devolved locally and retailers are working to derive more value from local partnerships.
