Two long short stories first published in the "New Yorker" in the 1950s, "Raise High the Roof Beam", "Carpenters and Seymour: an Introduction" are each narrated by writer Buddy Glass, a character often said to be a portrait of the author himself. Both are stream of consciousness narratives, focusing on the life of Seymour, the eldest Glass brother and exploring the brothers' quest for ...

The last book-length work of fiction by J. D. Salinger published in his lifetime collects two novellas about "one of the liveliest, funniest, most fully realized families in all fiction" (New York Times). These two novellas, set seventeen years apart, are both concerned with Seymour Glass--the eldest son of J. D. Salinger's fictional Glass family--as recalled by his closest brother, Buddy. "He was a great many things to a great many people while he lived, and virtually all things to his brothers and sisters in our somewhat outsized family. Surely he was all real things to us: our blue-striped unicorn, our double-lensed burning glass, our consultant genius, our portable conscience, our supercargo, and our one full poet..."

'He was a great many things to a great many people while he lived, and virtually all things to his brothers and sisters in our somewhat outsized family. Surely he was all real things to us: our blue-striped unicorn, our double-lensed burning glass, our consultant genius, our portable conscience, our supercargo, and our one full poet...' These two novellas, set seventeen years apart, are both concerned with Seymour Glass - the eldest son of J. D. Salinger's fictional Glass family - as recalled by his closest brother, Buddy. 'The Glasses are one of the liveliest, funniest, most fully-realized families in all fiction' The New York Times

"Perhaps the best book by the foremost stylist of his generation" (New York Times), J. D. Salinger's Franny and Zooey collects two works of fiction about the Glass family originally published in The New Yorker. "Everything everybody does is so--I don't know--not wrong, or even mean, or even stupid necessarily. But just so tiny and meaningless and--sad-making. And the worst part is, if you go bohemian or something crazy like that, you're conforming just as much only in a different way." A novel in two halves, Franny and Zooey brilliantly captures the emotional strains and traumas of entering adulthood. It is a gleaming example of the wit, precision, and poignancy that have made J. D. Salinger one of America's most beloved writers.

The "original, first-rate, serious, and beautiful" short fiction (New York Times Book Review) that introduced J. D. Salinger to American readers in the years after World War II, including "A Perfect Day for Bananafish" and the first appearance of Salinger's

fictional Glass family. Nine exceptional stories from one of the great literary voices of the twentieth century. Witty, urbane, and frequently affecting, *Nine Stories* sits alongside Salinger's very best work--a treasure that will be passed down for many generations to come. The stories: A Perfect Day for Bananafish Uncle Wiggily in Connecticut Just Before the War with the Eskimos The Laughing Man Down at the Dinghy For Esm é --with Love and Squalor Pretty Mouth and Green My Eyes De Daumier-Smith's Blue Period Teddy

**NATIONAL BESTSELLER** • The inspiration for the major motion picture *Rebel in the Rye* One of the most popular and mysterious figures in American literary history, the author of the classic *Catcher in the Rye*, J. D. Salinger eluded fans and journalists for most of his life. Now he is the subject of this definitive biography, which is filled with new information and revelations garnered from countless interviews, letters, and public records. Kenneth Slawenski explores Salinger's privileged youth, long obscured by misrepresentation and rumor, revealing the brilliant, sarcastic, vulnerable son of a disapproving father and doting mother. Here too are accounts of Salinger's first broken heart—after Eugene O'Neill's daughter, Oona, left him—and the devastating World War II service that haunted him forever. J. D. Salinger features this author's dramatic encounters with luminaries from Ernest Hemingway to Elia Kazan, his office intrigues with famous New Yorker editors and writers, and the stunning triumph of *The Catcher in the Rye*, which would both make him world-famous and hasten his retreat into the hills of New Hampshire. J. D. Salinger is this unique author's unforgettable story in full—one that no lover of literature can afford to miss. Praise for *J. D. Salinger: A Life* “Startling . . . insightful . . . [a] terrific literary biography.” —USA Today “It is unlikely that any author will do a better job than Mr. Slawenski capturing the glory of Salinger's life.” —The Wall Street Journal “Slawenski fills in a great deal

and connects the dots assiduously; it ' s unlikely that any future writer will uncover much more about Salinger than he has done. ” —Boston Sunday Globe “ Offers perhaps the best chance we have to get behind the myth and find the man. ” —Newsday “ [Slawenski has] greatly fleshed out and pinned down an elusive story with precision and grace. ” —Chicago Sun-Times “ Earnest, sympathetic and perceptive . . . [Slawenski] does an evocative job of tracing the evolution of Salinger ' s work and thinking. ” —The New York Times

First published in the New Yorker in the 1950s, 'Raise High the Roof Beam, Carpenters and Seymour - an Introduction' are two novellas narrated by Buddy Glass. In the first, Buddy has taken leave from the army during World War II to attend the wedding of the eldest Glass brother, Seymour, and an atmosphere of portentous suspense sets the scene for the tragedy that will follow. In the second, Buddy reminisces about Seymour and the novella unfolds into an exploration of a complex and sad character which displays tenderness.

Based on eight years of exhaustive research and exclusive interviews with more than 200 people—and published in coordination with the international theatrical release of a major documentary film from the Weinstein Company—Salinger is a global cultural event: the definitive biography of one of the most beloved and mysterious figures of the twentieth century. For more than fifty years, the ever elusive author of *The Catcher in the Rye* has been the subject of a relentless stream of newspaper and magazine articles as well as several biographies. Yet all of these attempts have been hampered by a fundamental lack of access and by the persistent recycling of inaccurate information. Salinger remains, astonishingly, an enigma. The complex and contradictory human being behind the myth has never been revealed. No longer. In the eight years since Salinger was begun, and especially in the three years since Salinger ' s death,

# Read Book Raise High The Roof Beam Carpenters Amp Seymour An Introduction

the authors interviewed on five continents more than 200 people, many of whom had previously refused to go on the record about their relationship with Salinger. This oral biography offers direct eyewitness accounts from Salinger ' s World War II brothers-in-arms, his family members, his close friends, his lovers, his classmates, his neighbors, his editors, his publishers, his New Yorker colleagues, and people with whom he had relationships that were secret even to his own family. Shields and Salerno illuminate most brightly the last fifty-six years of Salinger ' s life: a period that, until now, had remained completely dark to biographers. Provided unprecedented access to never-before-published photographs (more than 100 throughout the book), diaries, letters, legal records, and secret documents, readers will feel they have, for the first time, gotten beyond Salinger ' s meticulously built-up wall. The result is the definitive portrait of one of the most fascinating figures of the twentieth century.

In her highly anticipated memoir, Margaret A. Salinger writes about life with her famously reclusive father, J.D. Salinger—offering a rare look into the man and the myth, what it is like to be his daughter, and the effect of such a charismatic figure on the girls and women closest to him. With generosity and insight, Ms. Salinger has written a book that is eloquent, spellbinding, and wise, yet at the same time retains the intimacy of a novel. Her story chronicles an almost cultlike environment of extreme isolation and early neglect interwoven with times of laughter, joy, and dazzling beauty. Compassionately exploring the complex dynamics of family relationships, her story is one that seeks to come to terms with the dark parts of her life that, quite literally, nearly killed her, and to pass on a life-affirming heritage to her own child. The story of being a Salinger is unique; the story of being a daughter is universal. This book appeals to anyone, J.D. Salinger fan or no, who has ever had to struggle to sort out who she really is from whom her parents dreamed she might be.
