The Changing Political Climate Guided Reading

The Changing Political Climate: Guided Reading The science of climate change is clear, as is the view of the American majority that this is an urgent issue of public policy. The dynamic now centers around the president and his party ' s drive to maintain power. The climate issue is a loser for Trump unless he can redefine it as an issue of government overreach and over-regulation.

The Changing Political Climate Guided Reading

Changing The Political Climate. For months, activists, especially nonprofit and philanthropic leaders have been worrying about how they can best operate in the Trump era, given Republican control of the presidency, Senate, House and most state governments – a dynamic that both reflects and advances a dramatically altered American political climate. But it ' s been more than five months since the election and still too few people are talking about to change that political climate itself.
