Uhtred almost thinks of himself as a Dane. He certainly has no love for Alfred, whom he considers a pious weakling and no match for Viking savagery, yet when Alfred unexpectedly defeats the Danes and the Danes themselves turn on Uhtred, he is finally forced to choose sides. By now he is a young man, in love, trained to fight and ready to take his place in the dreaded shield wall. Above all, though, he wishes to recover his father's land, the enchanting fort of Bebbanburg by the wild northern sea. This thrilling adventure—based on existing records of Bernard Cornwell's ancestors—depicts a time when law and order were ripped violently apart by a pagan assault on Christian England, an assault that came very close
