The perfect book for introducing a young child to to the concept of where babies come from and how they grow. This is a great book to share and discuss all the changes going on

Get Free Why Is Mummy's Tummy So Big Why Books

inside 'mummy's tummy'. Every month a new picture shows how big baby is and how far along a timeline (featured at the foot of each spread) baby has moved. The real attraction of the book is the 'life-size' nature of the drawings, giving mother and child a fantastic opportunity to really explore what is

Get Free Why Is Mummy's Tummy So Big Why Books

happening, how big baby is in context to everyday objects and what baby can hear or indeed eats! The flexible paperback binding allows for the book to be folded gently across a growing tummy, helping to show a young child where the new baby is. The final spread uses a giant fold down flap to
